

HAWORTH SURPLUS (POWDER COATING & METALWORKING)

TUESDAY, DECEMBER 11 2012 STARTING AT 8:00AM

Online Auction

Haworth, as part of ongoing operations, is offering high quality surplus paint & metalworking equipment from its Big Rapids Plant. This is a great opportunity to purchase high quality, well maintained equipment from a world-class industry leader. All items will be sold by utilizing "The Online Auction Advantage Selling from Your Location" with Orbitbid.com, in cooperation with All In Industrial. Highlights include: Nordson Excel 2000 Pass-Through Paint Booths, Custom 4-Post Hydraulic Press, Nordson HR-16-150 150lb Powder Paint Hoppers w/ Nordson & Gema Pumps & Roller Bases, Nordson Combination Collector/Hopper Units, Nordson 16-Filter Collector Units, Nordson 250lb Powder Paint Hoppers w/ Azo Sieve, Nordson & Gema Venturi Pumps, & more. The Featured Online Auction will be held on Tuesday, December 11, starting at 8:00am and will start closing at 8:00pm the same day (local time). Preview day will be on Monday, December 10, from 9:00am to 4:00pm as well as sale day on Tuesday from 8:00am to 5:00pm. For further information, please contact Jerry Bennett @ 616-560-8910. Please note: Payments for items purchased on this auction will need to be coordinated through the Orbitbid.com Corporate Office.
